

# Morning Meeting Discussion Cards

Over 200 kid-friendly  
questions to ignite discussion

# What's Included:

Morning meetings are a GREAT way to start your school day! In our class, students enter, unpack for the day, and join the teacher on the rug.

We use one discussion card a day to get students talking, interacting, and generally building our classroom community.

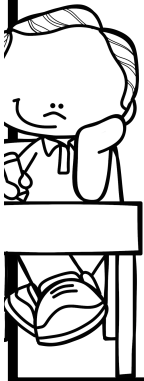

You can have students work in partners, triads, or even whole class. The purpose is to encourage discussion and build relationships (both with the teacher and with their peers).

*Other morning meeting ideas include:*

A read aloud, discussion of the day, a team cheer/chant/promise/handshake, or status of the class for reading.
